Spirit of the Season

It's the spirit of the season.
You can feel it the air
You can hear it if you listen,
Everywhere so much care like a prayer
Where ever it is you need to share it.
It's the spirit of the season.
You can hear it in the air.

People smile as they pass you by;
The day will be here soon.
Dreams are dancing in the children's eyes.
Hearts are singing, bells are ringing too.

It's the spirit of the season.
Filling hearts with love and care.
Like a shining star it glistens;
Everywhere feeling care like a prayer.
Where ever it is you need to share it.
It's the spirit of the season.
It's the spirit of the season.

Snow is falling as you rush down town.
The city seems to glow.
Laughter raises with the happy sounds.
Hearts are singing, bells are ringing too.

It's the spirit of the season.
Filling hearts with love and care.
Like a shining star it glistens;
Everywhere feeling care like a prayer.
Where ever it is you need to share it.
It's the spirit of the season.
You can hear it in the air.
It's the spirit of the season.
You can hear it in the air.

When Christmas Comes to Town

Aaaaaah.....

I'm wishing on a star
And trying to believe
That even though it's far
He'll find me Christmas Eve.

I guess that Santa's busy
Cause he's never come around
I think of him
When Christmas Comes to
Town.

★ The best time of the year
When everyone comes home
With all this Christmas cheer
It's hard to be alone.

Putting up the Christmas tree
With friends who come around
It's so much fun
When Christmas Comes to
Town.

Presents for the children
Wrapped in red and green
All the things I've heard about
But never really seen.

No one will be sleeping on
The night of Christmas Eve
Hoping Santa's on his way.

(Go to Star)

When Santa's sleigh bells ring
I listen all around
The herald angels sing
I never hear a sound

And all the dreams of children
Once lost will all be found
That's all I want
When Christmas Comes to Town

That's all I want
When Christmas Comes to Town

Aaaaaah...

Rockin' on Top of the World

One, Two,
One, two, three, four,
Rockin' on top the world,
Rockin' on top the world,
the place is hopin',
there ain't no stopin',
Rockin' on top the world,
Lift your spirits,
swing that girl,
Rockin' on top the world tonight,
Rockin' on top the world,
Rockin' on top the world,
the place is hopin',
there ain't no stopin',
Rockin' on top the world,
Lift your spirits,
swing that girl,
Rockin' on top the world
tonight, Yeah,

Up here where it's freezin',
Everybody needs some heat,
No more ringy dinger,
Time to get up on your feet,
(on my feet)

Rockin' on top the world,
Rockin' on top the world,
the place is hopin',
there ain't no stopin',
Rockin' on top the world,

Lift your spirits,
swing that girl,
Rockin' on top the world tonight, Yeah!

Believe

Children sleeping, snow is softly falling
Dreams are calling like bells in the distance
We were dreamers not so long ago
But one by one we all had to grow up
When it seems the magic's slipped away
We find it all again on Christmas day

Believe in what your heart is saying
Hear the melody that's playing
There's no time to waste
There's so much to celebrate
Believe in what you feel inside
And give your dreams the wings to fly
You have everything you need
If you just believe.

Trains move quickly to their journey's end
Destinations are where we begin again
Ships go sailing far across the sea
Trust in starlight to get where they need to be
When it seems that we have lost our way
We find ourselves again on Christmas day

Believe in what your heart is saying
Hear the melody that's playing
There's no time to waste
There's so much to celebrate
Believe in what you feel inside
And give your dreams the wings to fly
You have everything you need
If you just believe

Just believe.
Believe

Santa Claus is Coming to town

You better watch out
You better not cry
Better not pout
I'm telling you why
Santa Claus is coming to town

He's making a list
And checking it twice;
He's gonna find out
Who's naughty and nice
Santa Claus is coming to town

He sees you when you're sleeping
He knows when you're awake
He knows if you've been good or
bad

So be good for goodness sake!
Ohh! You better watch out!

You better not cry
I'm telling you why
Santa Claus is coming to town
Santa Claus is coming to town

Let it Go

Let it go, let it go
Can't hold it back anymore
Let it go, let it go
Turn my back and slam the door!

The snow glows white on the mountain tonight
Not a footprint to be seen
A kingdom of isolation,
And it looks like you're the queen.

The wind is howling like this swirling storm inside
Couldn't keep it in, heaven knows I tried!
Don't let them in, don't let them know.
Well now they know!

Let it go, let it go.
Can't hold it back anymore
Let it go, let it go
Turn my back and slam the door!

And here I stand
And there I'll stay.

Let it go. Let it go
The cold never bothered me anyway!

Standing, frozen.
In the life I've chosen.
You won't find me.
The past is all behind me.

Let it go, let it go.
Can't hold it back anymore.
And here I stand
And there I'll stay

Let it go. Let it go
The cold never bothered me anyway!

Nah na! Nah na! Nah na!
Nah na na na na-
Nah na na na na-
Nah na na na na- na!

Just believe!

Frozen Heart

Born of cold and winter air
and mountain rain combining.
This icy force both foul and fair
has a frozen heart worth mining.

So cut through the heart, cold and clear.
Strike for love and strike for fear.
See the beauty, sharp and sheer
Split the ice apart
And break the frozen heart

Born of cold and winter air
and mountain rain combining.
This icy force both foul and fair
has a frozen heart worth mining.

Cut through the heart, cold and clear.
Strike for love and strike for fear.
There's beauty and there's danger here
Split the ice apart
Beware the frozen heart...

Watch your step!

Let it go!

Fixer Upper

Is it the clumpy way he walks?
Or the grumpy way he talks?
Or the pear-shaped, square-shaped
Weirdness of his feet?

And though we know he washes
Well - he always ends up sort of smelly.

But you'll never meet a fellow who's as
Sensitive and sweet!
So he's a bit of a fixer-upper,
So he's got a few flaws.

Like his peculiar brain dear,
His thing with the reindeer.
That's a little outside of nature's laws!

So he's a bit of a fixer-upper,
but this we're certain of
You can fix this fixer-upper
Up with a little bit of love!

So he's a bit of a fixer-upper
But we know what to do
The way to fix up this fixer-upper
Is to fix him up with you!
Fix him up with you!
To fix him up with you!

In Summer

Sometimes I like to close my eyes and imagine
what it'll be like when summer DOES come...
AHHHHHHH.

Bees will buzz,
Kids will blow dandelion fuzz
And I'll be doing whatever snow does in summer
A drink in my hand,
My snow up against the burning sand
Prob'ly getting gorgeously tanned in summer

I'll finally see a summer breeze blow away a winter
storm
And find out what happens to solid water when it
gets warm

And I can't wait to see
What my buddies all think of me
Just imagine how much cooler I'll be in summer

Dah-dah, da-doo, a-bah-bah-bah bah-bah-boo

The hot and the cold are both so intense,
Put 'em together, it just makes sense!

Rrr-raht da-daht dah-dah-dah dah-dah-dah dah
dah doo

Winter's a good time to stay in and cuddle,
But put me in summer and I'll be a...
Happy Snowman!

IN SUMMER!!!

For the First Time in Forever

The window is open, so's that door
I didn't know they did that anymore
Who knew we owned eight thousand salad
plates?
For years I've roamed these empty halls
Why have a ballroom with no balls?
Finally they're opening up the gates

There'll be actual real live people
It'll be totally strange
But wow, am I so ready for this change!

'Cause for the first time in forever
There'll be music, there'll be light
For the first time in forever
I'll be dancing through the night

And I know it is totally crazy
But I'm somewhere in that zone
'Cause for the first time in forever
For the first time in forever
There'll be magic, there'll be fun
For the first time in forever
I could be noticed by someone

And I know it is totally crazy
To dream I'd find romance
But for the first time in forever
At least I've got a chance

Love is an Open Door

Anna: All my life has been a series of doors in my face
And then suddenly I bumped into you

Hans: I was thinking the same thing! 'Cause like
I've been searching my whole life to find my own place
And maybe it's the party talking or the chocolate fondue

Anna: But with you
Hans: But with you

Hans: I found my place
Anna: I see your face

Both: And it's nothing like I've ever known before....
Love is an open door
Love is an open door
Love is an open door.

Anna: With you
Hans: With you
Anna: With you
Hans: With you

Both: Love is an open door

Hans: I mean it's crazy
Anna: What?

Hans: We finish each other's
Anna: Sandwiches

Hans: That's what I was gonna say!

Anna: I've never met someone

Both: Who thinks so much like me
Jinx! Jinx again!
Our mental synchronization
Can have but one explanation

Hans: You
Anna: And I
Hans: Were
Anna: Just

Both: Meant to be

Anna: Say goodbye
Hans: Say goodbye

Both: To the pain of the past
We don't have to feel it any more
Love is an open door
Love is an open door
Life can be so much more

Anna:
With you
Hans:
With you
Anna:
With you
Hans:
With you

Both:
Love is an open door

Do You Wanna Build a Snowman

Anna:

Elsa?

(Knocking: Knock, knock, knock,
knock, knock, knock)

Do you wanna build a snowman?

Come on lets go and play

I never see you anymore

Come out the door

It's like you've gone away-

We used to be best buddies

And now we're not

I wish you would tell me why!-

Do you wanna build a snowman?

It doesn't have to be a snowman.

Elsa:

Go away, Anna

Anna:

Okay, bye...

(Orchestral)

(Knocking)

Do you wanna build a snowman?

Or ride our bikes around the halls

I think some company is overdue

I've started talking to

the pictures on the walls-

(Hang in there, Joan!)

It gets a little lonely

All these empty rooms,

Just watching the hours tick by-

(Tic-Tock, Tic-Tock, Tic-Tock, Tic-Tock,
Tic-Tock)

Anna:

(Knocking)

Elsa?

Please, I know you're in there,

People are asking where you've been

They say "have courage", and I'm trying
to

I'm right out here for you, just let me in

We only have each other

It's just you and me

What are we gonna do?

Do you wanna build a Snowman?
